

# UNLOCK your hidden productivity

with the power of Lean Process Improvement

reduce waste ♦ increase throughput ♦ improve quality

# How well is your team performing?

- 
- Rushing to get orders out on time?
  - Lack of teamwork and cooperation?
  - Frustrated by complaints about quality?
  - Constant interruptions?
  - Poor performance eroding margins?

*There is a solution that pays for itself*

# Drive Improvement & Teamwork

The team at Kallista Consulting has decades of combined experience in helping services businesses to improve their productivity.

This experience has given us powerful insights into the challenges that services businesses face and how to resolve them.

We have brought this knowledge together to create a business transformation program designed to engage, motivate and empower your team to work together and create dramatic improvements in business performance.

Our Business Transformation program provides;

- Tailored training workshops designed to engage participants through practical learning
- Visual systems that foster communication and accountability for performance outcomes
- Learning that helps teams to recognise when processes are not adding value and use the tools that will accelerate work and improve quality
- A framework that bring teams together to implement improvement projects

*Quite simply the best program for re-energising your team*

# What you will learn & achieve

The program provides tailored training workshops and workplace activities that follow a proven framework which embeds the learning through hands on activity while driving direct and measurable performance results. Having completed this program, your workforce will have an inherent capability to implement continuous improvement independently, requiring us only to further develop specific advanced productivity skills.

*Knowledge that creates ownership and empowerment*

# Why Kallista Consulting

Our success comes not only from our expertise in process improvement methodologies such as Lean Six-Sigma, but also from our ability to engage effectively with people at all levels.
